DISASTER ONE EXPANDS INTO TAMPA

Tampa, FL –Disaster One, a leading restoration company serving the Southeast U.S., today announced the opening of its newest office in Tampa, Florida.

“This move gives us easy access to the greater Tampa Bay area and will allow us to respond even more quickly to all of our clients,” said company president Rasmus Fenger.

The company has consolidated its Clearwater and Lakeland teams at the Tampa location. In addition to enabling faster response capability, the new Tampa location includes a training facility in which Disaster One will offer continuing education classes to insurance agents and adjusters for license renewal credits.

“We’re excited to be in Tampa,” added Fenger. “We’re encouraged by the support we’ve received from our clients in the area and the demand for our services.”

The Disaster One Tampa service area ranges from Spring Hill in the north to Sarasota in the south, and from the Gulf Coast in the west to Lakeland in the east. The company will continue to serve commercial clients in Orlando from the Tampa office as well.

Branch manager Eddie Bailey will continue to oversee Disaster One’s Florida operations in Tampa.
